Nurses often do not recognize their broad range of abilities and knowledge. Many nurses work long hours under time and personal pressures. They must be detail-oriented, but also able to coordinate activity with the big picture in mind. They have training and experience in interpersonal communication as well as the use of technologically advanced equipment. They make life and death decisions, sometimes on a daily basis. Those who have worked in a variety of healthcare settings have also demonstrated great flexibility. These skill sets and abilities have prepared many of them to become successful business entrepreneurs.
