Research in the Real Classroom: The Independent Investigation Method for Primary Students

Virginia Morse, Cindy Nottage

Even your youngest students can begin learning lifelong research skills! Teach primary students how to organize, find and present information, and assess their own efforts. Thinking skills come alive with this K-2 research model for teachers and media center professionals. Mini-lessons, teacher tips, presentation alternatives, reproducibles, and a strong assessment section create an effective model that easily adapts to any class or media center setting.
