## **Resurrecting the Idea of a Christian Society** R. R. Reno

America's two greatest strengths—her liberal democratic culture and her free-market economy—have made her a global superpower. But left unchecked, these two strengths can become great cultural weaknesses, sowing selfishness, recklessness, and apathy. In *Resurrecting the Idea of a Christian Society*, theologian R. R. Reno argues that America needs a renewal of Christian ideals—ideals that encourage self-sacrifice, responsibility, and solidarity. Drawing on T.S. Eliot's 1940 essay "The Idea of a Christian Society," Reno shows how Christianity encourages "an abiding ambition for higher things" and a "moral vision" that can strengthen communities and transform America into a truly great nation.
