Saul Rosemary Kay

Saul weighed only 1 lb., 4 oz. when he was born, and fitted into the palm of the midwife's hand. But he arrived kicking and screaming -- and clearly wanted to live.

Saul is the powerful and thought-provoking story of the author's own son, who was born after 23 weeks in the womb. (There are a handful of 23 weekers who have survived intact. There are no surviving 22 weekers.) Told from the tiny baby's point of view, the resulting fictional memoir is an unforgettable voice from another world. With surprising insight and humor -- and a distinct and intriguing personality -- the narrator shows himself to be both a vulnerable baby and a wise, sometimes mischievous, little boy with a purpose. His story is one of hope and courage, of supreme trust and tragic betrayal, and above all, of the triumph of the human spirit.

"Saul spent four months in the neonatal intensive care unit, and each day was packed with human wit and superhuman endeavor. Everyone who knew him wants his story to be told." -- Rosemary Kay

From reader reviews:

Kurt Hooper:

Book is to be different per grade. Book for children right up until adult are different content. We all know that that book is very important for all of us. The book Saul ended up being making you to know about other information and of course you can take more information. It is rather advantages for you. The publication Saul is not only giving you considerably more new information but also to be your friend when you feel bored. You can spend your own spend time to read your guide. Try to make relationship with the book Saul. You never truly feel lose out for everything should you read some books.

Kevin Hamby:

The actual book Saul will bring you to the new experience of reading some sort of book. The author style to clarify the idea is very unique. If you try to find new book to see, this book very appropriate to you. The book Saul is much recommended to you to study. You can also get the e-book in the official web site, so you can easier to read the book.

Arnulfo Walls:

This Saul is great book for you because the content which can be full of information for you who also always deal with world and also have to make decision every minute. This particular book reveal it info accurately using great organize word or we can declare no rambling sentences within it. So if you are read that hurriedly you can have whole data in it. Doesn't mean it only offers you straight forward sentences but tough core information with beautiful delivering sentences. Having Saul in your hand like obtaining the world in your arm, data in it is not ridiculous one particular. We can say that no guide that offer you world within ten or fifteen second right but this e-book already do that. So , this really is good reading book. Heya Mr. and Mrs. hectic do you still doubt that?

Brandon Giles:

As a university student exactly feel bored in order to reading. If their teacher asked them to go to the library or even make summary for some guide, they are complained. Just tiny students that has reading's spirit or real their passion. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that reading through is not important, boring and also can't see colorful pics on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Saul can make you really feel more interested to read.
