Seven Antonio J. Hopson

A collection of poetry outwardly directed at opening wounds and bandaging them. It is a book that exhibits social-emotional intelligence, humor and healing. Above all, it moves us and seduces us.

AJ Hopson is a lover. A gentleman. A pirate. A father of two boys and the ex-husband of a suicidal addict who survived breast cancer. Life is a journey, and part of the time he was on fire, or laughing, making love, drinking or watching crows plot his destruction. He's embedded all seven of his stories into a single book of poetry.
