Meet Josh and Jenny. Josh has autism and Jenny is his younger sister. Jenny does not believe that Josh is limited by his developmental disability. She thinks that he can do anything. She instinctively knows how to teach him important things. Together, on one snowy day, Jenny uncovers Josh's hidden potential. What happened that day may have surprised others, but it did not surprise Jenny. The intent of this book is to relate autism information to children, many of whom may already have a family member or classmate on the spectrum.
