Bolt Action Military Rifles of the World; The Full-Color Guide to All Your Favorite Vintage and Surplus Rifles Stuart C. Mowbray, Joe Puleo

Discover a whole world of bolt-action military rifles as your authors take you on a country-by-country tour of these fascinating weapons. Never before has this subject been covered in such detail -- including an astounding 2,431 professional color photographs. Each rifle is shown in a number of large overall and close-up views, including serial numbers and mechanical variations. Small features like proof marks are blown up in massive, clear enlargements so every detail can be observed. Translations are provided when rifles are marked in another language and all confusing proofs, serial numbers and markings are explained. Handy tables list key specifications for each rifle, making identifying rifles in your collection easy, while the straight-forward text covers manufacture of the weapon and its issue to the troops. Special attention is given to identifying valuable rarities while avoiding rebuilds and fakes. Find out why the editor of the 'American Rifleman' calls this new guide, 'absolutely the finest single volume on the subject to date...invaluable' and says 'if you are at all interested in military bolt-action rifles, you must buy this book.' And since it is written by the editors of 'Gun Collector Magazine', you know you can trust the information. Whether you are interested in Mausers, Mosin-Nagants, Enfields, Springfields, Lebel or Arisakas or any other military bolt action, this 'must have' reference guide will quickly become a trusted tool in your reference arsenal. Printed to the highest standards in full color, it might just be the most beautiful gun book ever produced...so don't hesitate. You are going to love it.

Erick Graf:

As a college student exactly feel bored to reading. If their teacher requested them to go to the library in order to make summary for some e-book, they are complained. Just small students that has reading's heart or real their hobby. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that examining is not important, boring along with can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Bolt Action Military Rifles of the World; The Full-Color Guide to All Your Favorite Vintage and Surplus Rifles can make you really feel more interested to read.
