Civil PE Morning Exam: How To Pass on Your First Try! P.E. PMP, Patrick J. Shepherd

Civil PE Morning Exam: "HOW TO PASS ON YOUR FIRST TRY" , Updated for the 2016 Exam, Developed by practicing engineers for engineers, provides over 100 practical problems and step-by-step solutions to help you prepare for the Civil PE Exam. A must have for working engineers who have been out of the classroom. It provides specific test taking strategies, talks about tips and hints, and is separated into 2 practice exams.

The Book is designed specially to teach you how to pass the Civil PE Exam by showing you how to nail the Morning Exam. Doing really well on the Morning Exam is the key to passing (it only involves a broad range of knowledge in the 5 areas of Civil Engineering), since the Afternoon exam will be much more challenging. This book does not waste time on theory or obscure problems- which will only confuse you more, but instead, only contains practical questions and ones that are most likely to appear on the actual exam based on the percentages which are published by NCEES.

The Book is based on the all-new 2016 specifications and includes 2 breadth (AM-morning) exams, bonus problems, and also included is a FastTrack™ Schedule - developed for those short of time and who have been out of school a long time. Review this section to gain the most knowledge in the shortest amount of time for problems that are most likely to appear on the exam. It's also a comprehensive review of the Civil Engineering Reference Manual (CERM) chapter by chapter. We show you what sections to tab and explain the most important areas to focus your study by giving specific example problems.

If you are considering studying for the Civil PE Exam, this book will teach you how to pass on your first try.
