Evangelism has become a virtual four-letter word in some circles. Sharing one's faith can be intimidating; and Christians through the ages have disagreed on what evangelism means. But at its most basic level, it's simply sharing the good news that the Son of God became human and died for the sins of humanity. Join popular speaker Curtis Zackery as he uses Scripture to explore the questions of evangelism. *Sharing the Gospel* will help you discover how to share your faith in a way that works for you.

*Converge Bible Studies* is a series of topical Bible studies based on the Common English Bible. Each title in the series consists of four studies on a common topic or theme. *Converge* can be used by small groups, classes, or individuals. Primary Scripture passages are included for ease of study, as are questions designed to encourage both personal reflection and group conversation. The topics and Scriptures in *Converge* come together to transform readers' relationships with others, themselves, and God.
