## **Essene Gospel of Archangel Raphael I: Breathing with the Angels** Olivier Manitar

The Divine world has always heard human beings and spoken to them in numerous ways, be it through the language of nature, the happenings in life, communication in the secrecy of one's heart, or the Teaching of the Masters. Through the great Essene method of the Circle of the Archangels, the Divine world can once again enter into a relationship, a dialogue with the world of man and Mother Earth, and enable all beings that awoken to build a world of Light in harmony with the laws of the universe. Man is alive from several worlds, he is a carrier of universes. Whether he wants it or not, through his activities, he continually sows seeds in it says Archangel Raphael in his third psalm. The messages of Archangel Raphael touch upon all the aspects of life as we live it today. These psalms are meditated morning and night by the Essenes.
