## **Mission: Jimmy Stewart and the Fight for Europe** Robert Matzen

In March 1941, Jimmy Stewart, America's boy next door and recent Academy Award winner, left fame and fortune behind and joined the United States Army Air Corps to fulfill his family mission and serve his country. He rose from private to colonel and participated in 20 often-brutal World War II combat missions over Germany and France. In mere months the war took away his boyish looks as he faced near-death experiences and the loss of men under his command. The war finally won, he returned home with millions of other veterans to face an uncertain future, suffering what we now know as PTSD. Younger stars like Gregory Peck were now getting roles that might have been Stewart's, and he didn't know if he would ever work in Hollywood again. Then came *It's a Wonderful Life*.

For the next half century, Stewart refused to discuss his combat experiences and took the story of his service to the grave. *Mission* presents the first in-depth look at Stewart's life as a Squadron Commander in the skies over Germany, and, his return to Hollywood the changed man who embarked on production of America's most beloved holiday classic.

Author Robert Matzen sifted through thousands of Air Force combat reports and the Stewart personnel files; interviewed surviving aviators who flew with Stewart; visited the James Stewart Papers at Brigham Young University; flew in the cockpits of the B-17 Flying Fortress and B-24 Liberator; and walked the earth of air bases in England used by Stewart in his combat missions of 1943-45. What emerges in *Mission* is the story of a Jimmy Stewart you never knew until now, a story more fantastic than any he brought to the screen.

#### **Melinda Walton:**

As a pupil exactly feel bored in order to reading. If their teacher expected them to go to the library as well as to make summary for some guide, they are complained. Just tiny students that has reading's heart and soul or real their hobby. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Mission: Jimmy Stewart and the Fight for Europe can make you experience

more interested to read.
