Predator: The Original Comics Series - Concrete Jungle and Other Stories Mark Verheiden

Celebrate the thirtieth anniversary of one of the great action movies of all time with this collection of original comics sequels to the film.

Before *Predator 2* was ever conceived as a film, writer Mark Verheiden and artist Chris Warner created an acclaimed comic-book sequel to *Predator* that took the alien trophy hunters from the jungles of Central America to the concrete jungle of New York City--where they face Dutch Schaefer's big brother, who's an NYPD detective!

Also included in this volume are Verheiden's two subsequent Predator stories--*Cold War*, which finds the Predators crash-landed in Siberia, and *Dark River*, in which the hero of *Concrete Jungle* traces the path of his younger brother to find out what really happened to him after the events in the movie *Predator*.

Three now-classic tales in one over-sized, deluxe hard cover volume designed to sit on your bookshelf beside the *Aliens 30th Anniversary* edition!

Collects:

Collects *Predator: Concrete Jungle (#1-#4)*, *Predator: Cold War (#1-#4)*, and *Predator: Dark River*
