A Visual Celebration of Giant Pandas

Fanny Lai

A Visual Celebration of Giant Pandas Fanny Lai

Fanny Lai and Bjorn Olesen, both wildlife enthusiasts, followed in the giant footsteps of the shy and enigmatic giant panda, and captured both adults and cubs on camera in close-up situations. Beautifully photographed, in rarely seen settings, the authors explain what makes the panda such a lovable icon, and why the public cannot have enough of this symbol of quiet hope for survival in a fast-changing planet.

Five years of research and photography went into A Visual Celebration of Giant Pandas. It has detailed information about the panda's behaviour, including how it rears its young, and also describes, in words and vivid photography, other species in its habitat such as the red panda and snow leopard. The issue of 'pandaploacy' is also addressed, with the arrival of pandas in Singapore in 2012 and their likely arrival in Malaysia in 2013.

Finally the book assesses the chances of survival for the giant panda, and the efforts being made to preserve its habitat.

From reader reviews:

Helen Kingsbury:

Have you spare time for just a day? What do you do when you have more or little spare time? Yes, you can choose the suitable activity with regard to spend your time. Any person spent all their spare time to take a go walking, shopping, or went to the particular Mall. How about open as well as read a book entitled A Visual Celebration of Giant Pandas? Maybe it is being best activity for you. You realize beside you can spend your time along with your favorite's book, you can cleverer than before. Do you agree with their opinion or you have other opinion?

Wilda Alexander:

What do you concentrate on book? It is just for students because they are still students or that for all people in the world, the actual best subject for that? Just you can be answered for that question above. Every person has different personality and hobby for every single other. Don't to be obligated someone or something that they don't need do that. You must know how great as well as important the book A Visual Celebration of Giant Pandas. All type of book is it possible to see on many resources. You can look for the internet options or other social media.

Brent Henderson:

You can spend your free time to study this book this e-book. This A Visual Celebration of Giant Pandas is simple to create you can read it in the area, in the beach, train along with soon. If you did not get much space to bring the printed book, you can buy often the e-book. It is make you easier to read it. You can save often the book in your smart phone. Therefore there are a lot of benefits that you will get when one buys this book.

Jim Loop:

As a student exactly feel bored to reading. If their teacher expected them to go to the library or to make summary for some publication, they are complained. Just very little students that has reading's heart and soul or real their hobby. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that reading is not important, boring as well as can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this A Visual Celebration of Giant Pandas can make you feel more interested to read.
