G. Pattison

Anxious Angels: A Retrospective View of Religious Existentialism G. Pattison

Existentialism was one of the most important influences on twentieth-century thought, especially in the period between the 1920s and early 1960s. Best known in its atheistic representatives such as Sartre, it also numbered many significant religious thinkers. *Anxious Angels* is a critical introduction to these religious existentialists, who are treated as a coherent group in their own right and not merely derivative of secular existentialism. The book argues that they constitute a distinctive religious voice that continues to merit attention in an era of postmodernity.
