Modern Christianity is adrift. In numerous congregations, complacency and indifference have become the norm rather than the exception. What is the missing ingredient? A large part of the problem is that we have yet to truly tap into the power of the one another way. Closer Than a Brother provides a practical, modern take on the one another scriptures and the Biblical imperative to disciple. With a writing style that is both compelling and provocative, F. Barton Davis analyzes both the scriptures and common pitfalls that have beset fellowships that have wrestled with these issues, providing unique insight and valuable direction, making Closer Than a Brother a tremendous aid for both personal spiritual enrichment, and as a practical tool for teaching and group work. "Unlocking the secrets of the one another way" is vital to our personal spiritual health and to the growth of the Lord's church. Closer Than a Brother shines a light that cuts through the uncertainty, grabs hold of the scriptures and unveils the secrets of this glorious path. It is time to unlock the power!
