This is a REVISED VERSION of the FIRST Scamper book, "Scamper's New Home" using actual photographs I took of our beautiful North Georgia and Tennessee Mountains. I think it is a definite improvement. So....what is Scamper about??? Scamper is a little fox that gets separated from his mother during a forest fire. A huge tree has fallen across the path blocking Scamper's escape. Alone and frightened Scamper feels the heat as the flames inch closer and closer....will he make it to safety??? Read and find out what happens to Scamper!
