ATIENT NAME: Peter Hunt Welch SEX: M ADMIT DATE: 10/18/2000 DOB: 02/28/1980 HISTORY OF PRESENTING ILLNESS: The patient was a fairly poor historian, appearing unable to provide a coherent description of the events preceding his current hospitalization. In a rather vague and disorganized manner, he acknowledged the presence of persecutory concerns. He reported unusual experiences like having seen the earth and the bottom of the sea. In the emergency room, he reported concerns that he might have killed a buddy of his and that he could take a friend's soul from his body. He also reported his ability to be in contact with God. Initially he denied any alcohol or drug use. Later on, he admitted having had LSD on several occasions. He described his trips as traveling the world and touching things. He also acknowledged the use of heroin, crack cocaine, mushrooms, ecstasy, and speed, but he was not able to provide more details. THIS REPORT IS STRICTLY CONFIDENTIAL. Redisclosure is prohibited by law. NOTE: This information has been disclosed to you from records whose confidentiality is protected by federal law. Federal regulations (42CFR part 2) prohibit you from making any further disclosure of it without the specific written consent of the person to whom it pertains, or as otherwise permitted by such regulations. A general authorization for the release of medical or other information is NOT sufficient for this purpose. PERMISSION REQUEST: I would like to ask myself if it's okay to put my medical records in a book to entertain total strangers. I need explicit permission. PERMISSION APPROVAL: Because of our tautological relationship, I hereby explicitly grant myself the right to publish this information in whatever form I please.
