The Theology of the Church

Charles Journet

The Theology of the Church Charles Journet

Theology of the Church was first published over forty years ago. Now more relevant than ever, the republishing of this classic has been greeted with joy by a great number of Christians. The work is a shorter version of the basic and beautiful book by the same author, the two volume *The Church of the Incarnate Word*. From this theological work, Cardinal Journet has extracted a shorter and more popular version intended for a wider reading audience.

Readers will welcome the brilliant, intellectually rigorous, but highly spiritual thought which shines throughout the Cardinal's writing. And today, when clergy and laymen are more careful than ever to acquire or deepen their theological knowledge, the contribution of Cardinal Journet to ecclesiology needs to be available again.

This edition includes two chapters written shortly after the Second Vatican Council. This addition both complements and gives added depth to the original text, providing the reader with a fresh outlook on the learning of the author, whose love of the Church is evident in every sentence. St. Augustine's "gaudium et veritate", the joy of searching for, and bringing forth, the Truth, was certainly the cause for which Cardinal Journet strove.

From reader reviews:

Frank Lantz:

Here thing why that The Theology of the Church are different and trusted to be yours. First of all reading a book is good but it depends in the content of computer which is the content is as yummy as food or not. The Theology of the Church giving you information deeper and different ways, you can find any e-book out there but there is no book that similar with The Theology of the Church. It gives you thrill examining journey, its open up your current eyes about the thing that happened in the world which is perhaps can be happened around you. It is possible to bring everywhere like in playground, café, or even in your way home by train. When you are having difficulties in bringing the imprinted book maybe the form of The Theology of the Church in e-book can be your option.

Lorraine Prinz:

A lot of people always spent their particular free time to vacation or go to the outside with them family members or their friend. Did you know? Many a lot of people spent they will free time just watching TV, or maybe playing video games all day long. If you would like try to find a new activity that's look different you can read the book. It is really fun for you personally. If you enjoy the book that you simply read you can spent all day every day to reading a e-book. The book The Theology of the Church it is extremely good to read. There are a lot of people that recommended this book. These people were enjoying reading this book. In the event you did not have enough space to bring this book you can buy often the e-book. You can more simply to read this book from a smart phone. The price is not to cover but this book provides high quality.

Lola Behrendt:

Reading can called brain hangout, why? Because if you are reading a book particularly book entitled The Theology of the Church your thoughts will drift away trough every dimension, wandering in each and every aspect that maybe unknown for but surely can be your mind friends. Imaging every single word written in a publication then become one web form conclusion and explanation that will maybe you never get previous to. The The Theology of the Church giving you another experience more than blown away your head but also giving you useful data for your better life with this era. So now let us present to you the relaxing pattern at this point is your body and mind is going to be pleased when you are finished studying it, like winning a game. Do you want to try this extraordinary spending spare time activity?

Jeff Keenan:

This The Theology of the Church is great reserve for you because the content that is certainly full of information for you who also always deal with world and possess to make decision every minute. This specific book reveal it facts accurately using great organize word or we can point out no rambling sentences within it. So if you are read the idea hurriedly you can have whole details in it. Doesn't mean it only provides straight forward sentences but hard core information with wonderful delivering sentences. Having The Theology of the Church in your hand like getting the world in your arm, data in it is not ridiculous 1. We can

say that no publication that offer you world with ten or fifteen small right but this publication already do that. So , this is certainly good reading book. Hey Mr. and Mrs. stressful do you still doubt this?
