Based on the best-selling WEST'S BUSINESS LAW, this Alternate Edition continues to set the standard for making law accessible, interesting, and relevant to business students. With the perfect balance of tradition and innovation, this benchmark text brings to life the functions and inner-workings of business law in the real world. Rich with classic and modern cases that are summarized rather than excerpted, WEST'S BUSINESS LAW is the ideal text for students entering virtually any field of business. The text is supported by a comprehensive supplements and technology package. The text's proven approach combines with these resources to create a total teaching and learning system that is a clear choice for instructors who want to use summarized cases. This Tenth Edition refines and builds upon traditions established when the book was first introduced: authoritative content blended with cutting-edge coverage of contemporary topics and cases and an unmatched selection of innovative, high-quality support materials.
