Drakon's Promise (Blood of the Drakon) N.J. Walters

Darius Varkas is a drakon. He's neither human nor dragon.

He's both.

He's also the target of an ancient order who want to capture all drakons for their blood. When fresh, a drakon's blood can cure any illness and prolong a human's life, and the Knights will stop at nothing to get it.

When librarian Sarah Anderson stumbles across a rare book belonging to the Knights of the Dragon, she's quickly thrust into a dangerous world of secrets and shifters and things she never would have believed possible. When the Knights realize Sarah has a secret of her own, she becomes just as much a target as Darius. Her scary dragon shifter just might be her best chance at survival.
