Gdansk is a gem of bourgeois architecture and of beautiful citizen homes and has a unique marketplace. It offers a world of pleasant alleys and historical churches. St. Mary's church dominates Gdansk's silhouette by being the world's biggest gothic brick church. Another attraction for tourists is the long market (Dlugi Targ), where many tourist highlights can be found, e.g. the fountain of Neptune, the Artus Court, the Green Gate or the urban city hall with its 82-meter high tower. From the long market over to the long street (Ulica Długa), a magnificent avenue, which ends at the Golden Gate. All together you call it the royal street. Experience Gdansk's beautiful city, former Hanseatic City, with impressive photographs in HDR quality. Photographed and compiled to a high-quality photo calendar by Paul Michalzik. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
