**The “quiet emergence from despair rings true” (*Kirkus Reviews*) in this resonant debut novel about retreating from the world after losing everything.**

Wren Wells is hiding out. Though she lived through the accident that killed her boyfriend Patrick, the girl she used to be didn't survive. Instead of heading off to college as planned, Wren retreats to her father's studio in the northern woods of Maine. All she wants is a little quiet, a place where she can be in control.

Then she meets Cal Owen. Dealing with his own troubles, Cal is hiding out too. When the chemistry between them threatens to pull Wren from her hard-won exile, Wren has to choose: risk opening her broken heart to the world again, or join the ghosts who haunt her.
