The very idea might strike you as blatantly ridiculous. But after two years of research, we have come to the conclusion that these enigmatic phone calls do occur and are, indeed, probably more common than you might imagine. We have come to admit that the people who report these experiences are not perpetrating hoaxes, but have had genuine and sometimes shocking experiences-- which most parapsychologists have been ignoring for years. This volume represents the result of a two-year investigation into the phantom phone call mystery. We feel we have literally stumbled upon a new form of psychic communication.
