Sick Gabby Schulz

"Last year, he got our attention for his disturbingly brilliant graphic novel *Monsters*. . . . Gabby Schulz has gone on to create a similarly unnerving web comic series titled Sick."—*Flavorwire*

The author of the perennial classic, *Monsters* (written as Ken Dahl), Gabby Schulz returns with a new graphic novel, *Sick*, which *Hicksville* author Dylan Horrocks calls "a punch in the face and well worth reading." Like *Monsters*, *Sick* focuses on health and social policy, this time expanding from the subject of STDs and their stigma to the larger, hot-button issue of national healthcare.

Severely ill, uninsured, alone, and confined to his bed for weeks, Schulz was left searching—only to find himself. *Sick* documents his discovery in gory, glorious, water-colored detail, finally completed and collected here for the first time in a beautiful, album-sized hardcover edition.

Since *Monsters*, Schulz has produced a host of online comics including *SEXISM*, a viral sensation written up everywhere from the *Stranger* to *Scientific American*. The web-serialized *Sick* was an Ignatz Award nominee for Outstanding Online Comic. His work has appeared on narrative.ly and BuzzFeed and in *Arthur* magazine.

Gabby Schulz, sometimes known as Ken Dahl, grew up in Honolulu, Hawaii. His graphic novel, *Monsters* won two Ignatz Awards, was an Eisner Award nominee, and was a *Best American Comics* selection. His other works include the collection *Welcome to the Dahl House* and the web comic *Sick*, an Ignatz Award nominee for Outstanding Online Comic. Schulz currently resides in Chicago, Illinois.
