In THE SEA HUNTERS. Cussler tells of his lifelong love for the sea and ships and his dedication to the discovery and preservation of historic shipwrecks. With the same wonderful storytelling that Cussler brings to his novels, he describes his searches for shipwrecks that he and his NUMA volunteers have found. Opening each story with a creative dramatization of the ship and the way she met her end, he then brings the story into the present as he describes the immense research and careful preparation so often necessary to find a long lost ship. Dramatic, compelling, and personal. Clive Cussler's THE SEA HUNTERS is as exciting and satisfying as the best of his fiction.
