The Sky, the Stable and Spaces in Between: A Compilation of Poetry, Haiku, and Photography Mr Ken Thompson

The Sky, the Stable, and Spaces in Between is a collection of original haiku, poetry, and photography by Kenneth Thompson. In this collection, the author/ photographer combines the creative imagery of haiku with photography to celebrate the beauty of the sky, explore the relationships between himself, horses, and other animals, while using poetry as a means to question the value of a materially complex and hurried life. It is a journey of time and place, passing through light and dark, solitude and excess.
