The White Rhino Saga

Ian Player

The White Rhino Saga Ian Player

This 254 page book recounts Ian Player's visits to the Umfolozi Game Reserve in South Africa's Zululand and his lifelong obsession to save white rhinos from extinction. From the foreword "The White Rhino Saga' is a book for every lover of the wild. The danger of the captures, the disappointments, the ultimate successes, make a splendid tale. It is a tale of adventure, of Africa, of animals - and the man who set out to save them."

From reader reviews:

Cathy Duran:

What do you ponder on book? It is just for students because they are still students or that for all people in the world, what the best subject for that? Merely you can be answered for that query above. Every person has different personality and hobby for each other. Don't to be forced someone or something that they don't want do that. You must know how great and important the book The White Rhino Saga. All type of book can you see on many methods. You can look for the internet methods or other social media.

Martha Fincher:

Spent a free time to be fun activity to perform! A lot of people spent their sparetime with their family, or their friends. Usually they undertaking activity like watching television, planning to beach, or picnic from the park. They actually doing same thing every week. Do you feel it? Would you like to something different to fill your personal free time/ holiday? May be reading a book may be option to fill your free time/ holiday. The first thing you ask may be what kinds of guide that you should read. If you want to attempt look for book, may be the reserve untitled The White Rhino Saga can be very good book to read. May be it could be best activity to you.

Albert Lightner:

Playing with family inside a park, coming to see the marine world or hanging out with close friends is thing that usually you might have done when you have spare time, after that why you don't try point that really opposite from that. 1 activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love The White Rhino Saga, you can enjoy both. It is good combination right, you still wish to miss it? What kind of hang type is it? Oh seriously its mind hangout fellas. What? Still don't get it, oh come on its called reading friends.

June Ortiz:

Are you kind of hectic person, only have 10 or perhaps 15 minute in your day to upgrading your mind talent or thinking skill even analytical thinking? Then you are having problem with the book when compared with can satisfy your limited time to read it because this all time you only find book that need more time to be study. The White Rhino Saga can be your answer given it can be read by anyone who have those short extra time problems.
