A Personal Note From the Author

I am a hardware enthusiast and love to play with devices. In fact, figuring out all kinds of mechanical and electronic devices and understanding how they work has been a lifelong passion for me. Recently I came across this new revolutionary set of voice controlled Alexa Devices and love the freedom it gives me. I have done a lot of research on Amazon Echo, Amazon Echo Dot and Amazon Tap and this prompted me to put down my learning in the form of a series of books.

This Advanced User Guide for the Amazon Echo Dot is the 2nd in the series of books I have written on Alexa Devices. I hope that this guide helps you in setting up and using your Echo Dot.
