Keith Boykin

Beyond the Down Low: Sex, Lies, and Denial in Black America Keith Boykin

Keith Boykin, a former Clinton White House aide, syndicated columnist, and AIDS activist, breaks new ground by going beyond the hype with the first responsible, eye-opening look at the down low sensation. Unlike all previous accounts on the topic, *Beyond the Down Low* refreshingly presents the DL not merely as a problem of gay and bisexual men living in the shadows and endangering women, but more broadly as a telling example of the African-American community's overall failure to engage in critical but uncomfortable conversations about sexuality. Boykin details how the virtual silence from black leaders on sex matters has helped to create an environment where gay and bisexual men feel compelled to lead double lives. Meanwhile, the dialogue that has occurred both inside and out of African-American circles encourages an unhealthy battle of the sexes, ignores the complexities of the closet, demonizes homosexuality and bisexuality, disempowers women from personal responsibility to protect themselves from STDs, and misdirects public resources and attention at vilifying down low men.

From reader reviews:

Gary Cornejo:

A lot of people always spent their free time to vacation or even go to the outside with them family members or their friend. Do you realize? Many a lot of people spent they free time just watching TV, or maybe playing video games all day long. If you would like try to find a new activity honestly, that is look different you can read a new book. It is really fun in your case. If you enjoy the book that you simply read you can spent all day every day to reading a publication. The book Beyond the Down Low: Sex, Lies, and Denial in Black America it is rather good to read. There are a lot of individuals who recommended this book. We were holding enjoying reading this book. If you did not have enough space to create this book you can buy the actual e-book. You can m0ore quickly to read this book through your smart phone. The price is not too costly but this book features high quality.

Felix Talarico:

Playing with family in a park, coming to see the sea world or hanging out with close friends is thing that usually you have done when you have spare time, in that case why you don't try matter that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love Beyond the Down Low: Sex, Lies, and Denial in Black America, you are able to enjoy both. It is good combination right, you still would like to miss it? What kind of hangout type is it? Oh occur its mind hangout folks. What? Still don't understand it, oh come on its called reading friends.

Esther Belote:

Many people spending their time frame by playing outside having friends, fun activity along with family or just watching TV 24 hours a day. You can have new activity to pay your whole day by looking at a book. Ugh, you think reading a book really can hard because you have to accept the book everywhere? It fine you can have the e-book, delivering everywhere you want in your Smart phone. Like Beyond the Down Low: Sex, Lies, and Denial in Black America which is getting the e-book version. So , try out this book? Let's find.

Deborah Lacey:

Is it an individual who having spare time after that spend it whole day by watching television programs or just laying on the bed? Do you need something totally new? This Beyond the Down Low: Sex, Lies, and Denial in Black America can be the respond to, oh how comes? A fresh book you know. You are thus out of date, spending your time by reading in this completely new era is common not a geek activity. So what these publications have than the others?
