Blood Feather Awakens: The Timebound Rebirth R W K Clark

The ancient bird of death. Sam opened his camera and pulled out the camera memory card. He handed it to Kate and began relating his horrifying tale as she set about the upload. His voice trembled as he spoke. Kate focused her attention on the screen. What she saw, her mind could not wrap around. Her heart began to pound. If she had to categorize the animal she certainly would have called it a bird. It was covered in beautiful purple and powder blue feathers; it was actually quite beautiful and striking. But this thing had a long narrow beak with what appeared to be fangs protruding from it, but that wasn't the most disturbing thing. In this gripping tale, *Blood Feather Awakens The Timebound Rebirth* is a novel of adventure. The chaperone escort takes Sam on an expedition and solely witnesses the reawakening of a prehistoric animal, known as Blood Feather.
