About The Book

*Color Your Home Geometric* is the second book in the Color Your Home series; a follow up to the Amazon best seller *Color Your Home Bohemian*.

Enjoy creating with a truly eclectic mix of geometric drawings that were inspired by crop circles, modern faceted designs, mod designs from the 1960's and 70's, science fiction, tribal art, glass art, architecture, nature, & children's toys.

Color fascinating designs, city skylines, mountains, flowers, and more; all created with simple geometric shapes.

- There are 30+ unique handmade drawings for you to create with.
- Each drawing is given in two different sizes, totaling 60+ pieces of art to color & frame.
- All drawings are sized to fit right into standard sized mats & frames, so you can display them in your home or give as gifts.
- The coloring pages are all single sided, so you can color with markers.
- Includes helpful information on coloring ideas, matting & framing your colorings, & styling your finished artwork in your home.
