Fast Facts for the Hospice Nurse: A Concise Guide to End-of-Life Care Patricia Moyle Wright PhD
CRNP ACNS-BC

“This book takes us back to our roots in hospice with content on hospice philosophy, real nuts and bolts on hospice requirements, and a concise summary of often-neglected topics such as existential suffering, cultural concerns, and quality assurance.” – Betty Ferrell, PhD, RN, MA, FAAN, FPCN, CHNP

An on-the-go reference for hospice nurses and those interested in end-of-life care, this practical guide covers the essential elements in the compassionate and holistic care of terminally ill patients and their families. Nurses care for patients facing end-of-life issues in every practice specialty, and as the American population continues to age the need for proficiency in end-of-life skills will become increasingly important. *Fast Facts for the Hospice Nurse: A Concise Guide to End-of-Life Care* is an invaluable resource that provides emotional, administrative, and palliative support, whether in a hospice, long-term care facility, or even in acute care settings. This vital go-to text clearly and concisely lays out not only how to care for patients facing end-of-life issues, but also how to engage in self-care and cope with occupational stress.

Beginning with an overview of hospice care, including its history and philosophy, this book offers a timeline of the growth of the hospice movement in the U.S. Subsequent sections include up-to-date information on the clinical responsibilities of the hospice nurse in addressing the physical, psychological, and spiritual needs of terminally ill patients and their families in a culturally sensitive way. This book also outlines the administrative duties of the hospice nurse, including hospice documentation, a review of hospice regulations, and quality management. The closing section focuses on occupational stress in hospice nursing and how to engage in self-care. This text can serve as a useful clinical resource and also as a reference for nurses seeking hospice certification from the Hospice and Palliative Credentialing Center.

Key Features:

- Organized within the context of the scope and standards of practice of The Hospice and Palliative Nurses Association.
- Addresses key points about issues unique to hospice nursing and highlights evidence-based interventions
- Addresses important Medicare regulations and reimbursement
- Offers numerous clinical resources to assist with hospice nursing practice.
- A concise study resource for hospice nursing certification

Willie Wilson:

Playing with family in a park, coming to see the coastal world or hanging out with good friends is thing that usually you have done when you have spare time, and then why you don't try factor that really opposite from that. A single activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love Fast Facts for the Hospice Nurse: A Concise Guide to End-of-Life Care, you can enjoy both. It is excellent combination right, you still desire to miss it? What kind of hang-out type is it? Oh can happen its mind hangout guys. What? Still don't have it, oh come on its referred to as reading friends.

Eugene Ruano:

As we know that book is important thing to add our understanding for everything. By a book we can know everything we want. A book is a range of written, printed, illustrated or maybe blank sheet. Every year seemed to be exactly added. This e-book Fast Facts for the Hospice Nurse: A Concise Guide to End-of-Life Care was filled regarding science. Spend your free time to add your knowledge about your science competence. Some people has different feel when they reading a book. If you know how big good thing about a book, you can truly feel enjoy to read a publication. In the modern era like at this point, many ways to get book that you simply wanted.

Brenda Moulton:

As a scholar exactly feel bored to reading. If their teacher inquired them to go to the library or make summary for some e-book, they are complained. Just minor students that has reading's heart and soul or real their passion. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that examining is not important, boring in addition to can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Fast Facts for the Hospice Nurse: A Concise Guide to End-of-Life Care can make you really feel more interested to read.
