Relationships with women are one of the first things that all of us take for granted. We don't want to take it for granted. However, we forget how much something really matters to us when we don't stand to lose it. It usually takes losing something to realize its importance and value. Wondering what the big problems in a relationship are, and what you can do to overcome the problems in a relationship are very important. Depending on the kind of relationship you share with your partner, the problems in a relationship too could be just as unique. At some point or the other, these problems have a way of creeping into your romance. This book will expose some of these issues that women can bring into relationships. This book will break women down into different bags. Each bag will tell a story of how certain issues can play a role in a relationship.
