Memory and Mastery: Primo Levi as Writer and Witness (Sunny Series, Modern Jewish Literature & Culture)

This book carefully examines the work of Primo Levi, one of the premier survivor-writers of the Holocaust and one of the outstanding Italian writers of the twentieth century. Artists, writers, and educators have all turned to Levi's writing as a source of inspiration and wisdom in coping with the tragedy of the Holocaust. Until recently, however, there have been few book-length works in English on Levi. This collection of essays from an international group of writers aims to bring greater critical attention to Levi's work by exploring all aspects of his oeuvre, including his science-fiction writings and his poetry, as well as his fictional and nonfictional writings about the Holocaust. Interdisciplinary in nature, this collection includes literary, psychoanalytic, linguistic, and historical approaches to Levi's work."
