This guide offers comprehensive coverage of museums and galleries across the city as well as the vibrant commercial art scene, art fairs, degree shows, heritage venues, archives, and libraries. Floor plans, street maps, and an exhaustive subject index will help visitors rediscover old favorites like the Science Museum and track down newcomers like the Household Cavalry Museum and the wonderfully quirky Museum of Brands, Packaging and Advertising. With details of museum cafes and shops, and crowdbusting tips on London's lesser-known museums, this is essential reading for visitors and Londoners alike.
