Negotiating Peace: War Termination as a Bargaining Process (Princeton Legacy Library) Paul R. Pillar

This work draws on insights from the experimental and theoretical literature on bargaining to provide a much-needed comprehensive treatment of the neglected subject of how wars end. In a study of how states simultaneously wage war and negotiate peace settlements, Paul R. Pillar argues that war termination is best understood as a bargaining process.

Originally published in 1983.

The **Princeton Legacy Library** uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.
