## **Rapid Perioperative Care** Paul Wicker, Sara Dalby

*Rapid Perioperative Care* is an essential text for students and practitioners requiring up-to-date fundamental information on the perioperative environment. Covering a wide range of subjects related to perioperative practice and care, each chapter is concise and focused to guide the reader to find information quickly and effectively. This book uses a structured approach to perioperative care, starting with an introduction to the perioperative environment, anaesthetics, surgery and recovery, followed by postoperative problems and finally the roles of the Surgical Care Practitioner (SCP).

Covering all the key topics in the perioperative environment, this concise and easy-to-read title is the perfect quick-reference book for students and theatre practitioners to support them in their work in clinical practice, and enable them to deliver the best possible care.
