**The Last Anzacs: Lest We Forget** Tony Stephens, Steven Siewert

On May 16, 2002, the last of the Anzacs - Alec Campbell - died at age 103. To mark his passing Tony Stephens and Steven Siewert have updated their book *The Last Anzacs: Lest We Forget* to include an interview with Alec Campbell. Together with the interviews and photographs of seventeen other Anzacs, this book, in recording the individual life stories of those men, stands as a historic tribute to those who survived the horrors of Gallipoli, a military campaign that has come to symbolize an important moment in Australian history and a potent reminder of what it means to be Australian.
