The Old Man And The Sea (Scribner Classics) Ernest Hemingway

The last novel Ernest Hemingway saw published, *The Old Man and the Sea* has proved itself to be one of the enduring works of American fiction. It is the story of an old Cuban fisherman and his supreme ordeal: a relentless, agonizing battle with a giant marlin far out in the Gulf Stream. Using the simple, powerful language of a fable, Hemingway takes the timeless themes of courage in the face of defeat and personal triumph won from loss and transforms them into a magnificent twentieth-century classic.
