The Seduction of Silence Bem Le Hunte

Infused with the magic of India and the great mysteries of life, *The Seduction of Silence* follows the spiritual and emotional journeys of a remarkable Indian family through five generations.

Aakash, venerated sage and healer, is the founder of Prakriti -- an abundant farm in the Himalayas. From this soulful mountain home, his children embark on the journeys that will sway the destinies of future generations: gentle son Ram, whose fierce search for enlightenment will force him to choose between his family and his soul; daughter Tulsi Devi, whose convent schooling provides an unexpected, brutal education forever altering her life; Tulsi Devi's beloved first child, Jivan -- born in the waters of the Ganges, cruelly separated from his mother; and Aakash's granddaughter Rohini, who travels across the world on a painted bus to a new land and a new kind of freedom, immersing herself in the London of the 1960s.

With Rohini's daughter, Saakshi, the search for enlightenment comes full circle, and the great-granddaughter returns to her spiritual home -- the holy mountains of Prakriti, where their family story first began. Both magical and utterly compelling, this spellbinding novel interweaves family sagas with the richness of Indian mysticism, creating an intimate portrait of an unforgettable family.
