But an even greater threat than the assassin has come to Richmond, a secret Gidion's family has hidden from him until now. Gidion's family knows the price of success for a vampire hunter?his Dad hunted until the night his Mom was killed. What this foe plans will expose three generations of secrets within the Keep family and force Gidion to question everything he's come to believe about the creatures he hunts.

Even if he can survive long enough to defeat the vampires targeting him and his family, Gidion's life will never be the same.
