'The thrilling true account of a famous woodsman, scout & guerilla leader during the formative years of the American Nation' In the evocative pages of Rogers own journal we are taken through a landscape of dark untrodden forest where danger from hostile Indians and the French Army threaten every step. Famous exploits of guerilla warfare are graphically told, including battles and ambushes on America's lakes, the devastating 'Fight on Snowshoes' and the raid against the Abanakee's village at St, Francis, recounted across time by Rogers himself.
