Spiritual Warfare: A Biblical and Balanced Perspective Brian Borgman, Rob Ventura

Too often, Christians today either sensationalize the subject of spiritual warfare by obsessing over demon possession, exorcisms, binding the devil, and rebuking demons, or they minimize the idea and are unprepared for the real struggle they face against principalities and powers. Pastors Brian Borgman and Rob Ventura provide a balanced approach that exposes the fictions and superstitions surrounding this vital doctrine and at the same time reveal the unseen realities of this struggle. Basing their battle plan on Ephesians 6:10-20, the authors give an overview of the battle, a guide to the armor God gives us, and instruction regarding the vital wartime disciplines of prayer and proclamation of the Word. By learning to think biblically about this subject, Christians are enabled to deflect the blows of their adversary, fight sin, and live God-glorifying lives as followers of Jesus.

Endorsements

'Authors Borgman and Ventura aimed for biblical accuracy and balance in addressing spiritual warfare. They hit the bull's-eye! How we think about this battle is critical to how we fight it. Here is a brief treatment that is also clear and accurate: Satan may prowl around as a roaring lion seeking someone to devour, but Christ is the reigning Lion who has already won the battle and sits on the throne!' - Pastor Bruce A. Ray, author of *Withhold Not Correction, Celebrating the Sabbath, and Help! My Friend Is Suicidal*

'William Gurnall once said that the battle between Satan and the saints makes the most brutal war on earth look like child's play. Yet so many Christians act like civilians on vacation instead of soldiers on the front lines. Borgman and Ventura, like experienced master sergeants, give us the Bible's basic training on spiritual warfare. Drawing from the classic text in Ephesians 6, their teaching will both clear away false ideas about the spiritual battle, and equip Christians to stand firm to the end.' - Dr. Joel R. Beeke, President, Puritan Reformed Theological Seminary, Grand Rapids, Michigan

'*Spiritual Warfare: A Biblical and Balanced Perspective* is a wake up call to every minister of Christ that our work is not merely academic or intellectual, but also spiritual and supernatural. We have forces arrayed against us that cannot be defeated with any human armament. I fear that this theme has been too often ignored by the biblical scholar and too often exaggerated by those whose conclusions are not grounded in the Scriptures. For this reason, this balanced treatment will be a tremendous benefit to pastor and layperson alike.' - Paul Washer

'Too many popular evangelical notions about spiritual warfare have been shaped by superstition, bad teaching, and pulp novels about battles with territorial demons. Multitudes of Christians are mystified, terrified, unsure of their role ignorant of God's strategy in the warfare against the powers of darkness. Brian Borgman and Rob Ventura turn to the Word of God and skillfully unravel the mystery. I appreciate how they deal with this vital subject in a meticulously biblical, thoroughly enlightening, and wonderfully edifying way.' - Phil Johnson

'The increased hostility of our anti-Christian culture is forcing many Christians on to the back foot and even into the bunkers. This stirring book is a much-needed clarion call to battle, but one that emphasizes the spiritual nature of the battle and of the weapons we must use.' - Dr. David Murray
