The Requiem Shark Nicholas Griffin

Treasure Island for today's adults, this rousing debut set aboard an 18th-century pirate ship tells a skillfully crafted hypnotic tale abounding in mayhem and murder...Griffin brings the Rover's crew to vivid life...[and] proves himself an unusually fine chronicler of high seas adventure." (*Publishers Weekly* [starred review])

Based on the final voyage of the most successful captain in the history of piracy, *The Requiem Shark* is the tale of William Williams, a pampered young man forced into service aboard the ship of the dreaded Bartholomew Roberts-also known as Black Bart. With a level of education that sets him apart from his illiterate shipmates, Williams becomes the biographer to the pirate captain and slowly grows to manhood in the violent world of piracy, struggling to retain his humanity while sailing the blood-red seas. A graphic, rousing literary debut, rich in historical detail, this novel will transport readers to a distant age where all a man needed was the wind at his back, the open seas, and the feel of cold sharpened steel in his hands.

"Reminds me of the sweep and majesty of Moby-Dick...A cast of colorful characters adds authenticity to this gripping novel, which is a fine literary work and a rollicking good read right to the twisted ironic ending." (*Rocky Mountain News*)

"Powerfully evocative prose...The random nature of this fictional tale-loosely based on what little is known about the very real pirate Bartholomew Roberts and one William Williams-pulls it taut with truth." (*The San Diego Union-Tribune*)
