*Justine Jones faces her ultimate enemy: herself.*

Book Three in *The Disillusionist Trilogy*

In an attempt to put her unhappy past behind her, Justine Jones throws herself into nursing school and planning her wedding to Otto Sanchez, the man of her dreams. But something is off. Random details aren't adding up...and is it her imagination, or are her friends and fiancé keeping secrets from her? And what's with the strange sense of unease, and her odd new headaches?

Justine tries to stay upbeat as Midcity cowers under martial law, sleepwalking cannibals, and a mysterious rash of paranormal copycat violence, but her search for answers leads her into the most dangerous mind game yet.

With the help of unlikely allies, including her paranoid dad and best frenemy Simon, Justine fights her ultimate foe...and unravels the most startling mystery of all.

*Warning: This book contains high-speed rollerblade chases, a mysterious green dashboard ornament, a father of the bride in full hazmat gear and a delicious kebab.*
