The Lake District: The Panoramas Mark Denton

This is a beautifully produced collection of over 80 panoramic views of the Lake District, including many unique shots taken from little-known vantage points. Mark Denton's distinctive photography reveals some of the finest-ever wide-lens images of the Lakes, a landscape of great scenic beauty and one of the UK's most popular holiday destinations. His panoramic views, from rare angles and often taken at the magic hours of dusk and dawn, capture the atmosphere of wilderness that attracts so many visitors. Here are undulating valleys, clear lakes, tarns and rivers and, on the heights, the steep, sharp ridges and peaks, including Scafell Pike, Helvellyn and Skiddaw. The photographs offer a richly saturated new interpretation of the region's most recognizable landmarks in a highly desirable souvenir volume.
