America the Beautiful? R. Sea

This book will bring to light the Surveys, Reports, and Statistics to most of the growing problems we face in America today; ranging from Church, Government, Parenting, Schools, Drugs, Illegal Immigration, Gangs and so much more narrated by Author R. Sea. I'm not writing this book to praise the successful, but rather to bring light to the growing problems that this nation is facing, the longer we let it all slide and consider them not to be serious problems then the longer and larger these problems will grow. I'm not going to sugarcoat these issues because no amount of sweetener will overcome the bitterness of the facts. We the people have put ourselves exactly where we are at. From the lack of good moral values and common sense, we now live in a country of violence, vandalism, disrespect and drunkenness. The core of this country has become pretty disgraceful.
