## **American Scoundrel: Love, War and Politics in 19th Century America** Thomas Keneally

On the last, cold Sunday of February 1859, Daniel Sickles shot his wife's lover in Washington's Lafayette Square, just across from the White House. This is the story of that killing and its repercussions. Charming and ambitious, Dan Sickles literally got away with murder. His protector was none other than the President himself, James Buchanan; his political friends quickly gathered around; and, Sickles was acquitted. His trial is described with all Thomas Keneally's powers of dash and drama, against a backdrop of double-dealing, intrigue and slavery. Enslaved, in her turn, by the hypocrisy of nineteenth-century society, his wife was shunned and thereafter banned from public life. Sickles, meanwhile, was free to accept favours and patronage. He raised a regiment for the Union, and went on to become a general in the army, rising to the rank of brigadier-general and commanding a flak at the Battle of Gettysburg - at which he lost a leg, which he put into the military museum in Washington where he would take friends to visit it. Thomas Keneally brilliantly recreates an extraordinary period, when women were punished for violating codes of society that did not bind men. And the caddish, good-looking Dan Sickles personifies the extremes of the era: as a womaniser, he introduced his favourite madam to Queen Victoria while his wife stayed at home, and he installed his housekeeper as his mistress while his second wife took up residence nearby. "American Scoundrel" is the lens through which the reader can view history at a time when America was being torn apart.

#### **Betty Richey:**

As a university student exactly feel bored in order to reading. If their teacher asked them to go to the library or make summary for some e-book, they are complained. Just small students that has reading's heart and soul or real their pastime. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful pictures on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this American Scoundrel: Love, War and Politics in 19th

Century America can make you really feel more interested to read.
