Footsteps in Time (The After Cilmeri Series) Sarah Woodbury

"Sarah Woodbury is my new favorite author ... I read all the books in the After Cilmeri series in four days! Long after I finished the last book, the stories and characters stayed in my mind, and I kept wishing I could return the world Sarah so skillfully created. I can't wait for the next book and the next ..." -- Debra Holland, New York Times bestselling author of the Montana Sky Series.

In December of 1282, English soldiers ambushed and murdered Llywelyn ap Gruffydd, the Prince of Wales. His death marked the end of Wales as an independent nation and the beginning of over seven hundred years under the English boot.

Footsteps in Time is the story of what might have happened had Llywelyn lived.

And what happens to the two teenagers who save him.

Footsteps in Time is the first book in the *After Cilmeri* series.
