Gateways to Torah: Joining the Ancient Conversation on the Weekly Portion Russell Resnik

From before the days of Messiah until today, Jewish people have read from and discussed a prescribed portion of the Pentateuch each week. Messiah Yeshua, when he attended synagogue, joined his people in this practice. Now, a Messianic Jewish rabbi has added his voice to the ancient conversation about the Torah. Russ Resnik, Executive Director of the Union of Messianic Jewish Congregations has written an excellent commentary on each of the weekly portions. With reference to and respect for the rabbis who have already contributed to this conversation, he brings another perspective on the Torah, that of a Messianic Jew, a Jew who follows Messiah Yeshua. Whether you read Gateways to Torah all in one sitting, pace yourself weekly, or use it as a study text for a discussion group, this book will give you fresh insights into the Word of God. 246 pages.
